

Fort Defiance High School

The GPS Project

Reconnect

with your past.

Touch the future.

**Organizing the efforts
of many stakeholders
to prepare our students
for successful careers.**

The Vision of The GPS Project

is that upon graduation,
each member of the
classes of 2017-2020
will be fully prepared
and committed to following a
self-prescribed route toward
a secure and fulfilling future.

The Mission of The GPS Project

is to provide sufficient time,
resources, opportunities, and
connections that will enable
our FDHS graduates
to plan a route toward a
secure and fulfilling career.

The Stakeholders in The GPS Project

Students

Faculty & Staff

Family Members

FDHS Alumni

Community Volunteers

Local Businesses & Industries

Due to the Success of

The GPS Project

Our students
know where they
are going!

Here is what we provide:

G = A Global Perspective

1. Aptitude Testing
2. Interest Surveys
3. Career Exploration
4. Financial Counseling

P = Proactive Planning

1. Time for Each Task
2. Support at Each Turn
3. Clearly Mapped Routes

S = A System of Support

1. Academic Preparation
2. Motivational Interventions
3. Logistical Problem Solving

**We are asking
for your help.**

Here are five important
ways our Alumni can
participate:

Establish four-year renewable
scholarships to assist
throughout students' college
years then guide them back to
Augusta County for
meaningful employment.

Connect with our seniors
and guarantee
summer employment
to keep them coming
home for the summer
during their college years.

Offer internships and job shadow days to help our students experience the reality of the professional workplace.

Connect with our students by
visiting the school
to lead discussions about
careers in your field of expertise.

When you are looking for employees, come to us first. Our students have the soft skills necessary for workplace success.

Fort Defiance High School
